

# OPPORTUNITIES FOR BETTER CARE AND SUPPORT FOR FORGOTTEN AUSTRALIANS AS THEY AGE

## Innovative Practices for Aged & Community Care for Care Leavers

Provide high quality and targeted services to this special needs group. Work towards Care Leavers receiving aged care services that are accessible, quality and tailored to their needs.

## Collaborating on New Services

Help aged and community care service organisations to meet the specialisation Verification Framework criteria and provide services to Care Leavers.

## What do New Services Look Like?

New services will aim to address the lack of specialised services available for older Forgotten Australians and correct the issues outlined in the Royal Commission. Removed duplication of efforts within Australia.

## Submission to Federal Minister for Aged Care

Abolishing redress payments  
Curriculum development  
other projects

## Reimagining Where We Live Design Competition

Co-designs a service model that is appropriate for Care Leavers. Overlays technology considerations to ensure the service model is innovative.
